1. Public Commentary

- Board Vice President Peterson made a statement that he supports the Fire Department and Fire Chief but the current claim by the City of Fresno for a portion of interest earned is unfair and inappropriate. He would like to know if the city is going to continue to pursue and if so, he would be interested in pursuing alternative services.

2. Legal Counsel Interview

- There was one attorney present interviewing to be new legal counsel for the district. Hunter Castro of Wanger Jones Hensley PC Attorneys introduced himself and described his experience. The board then asked questions regarding his experience and research he had done on the district.
